**Meeting Summary:**

Called to order at 6pm.

Barbara had received Thank You notes from the Town and the 3 families that the WKVC sponsored at Christmas.

We agreed on a buget for 2016-2017 of $2000, the same as the last few years. We also voted to set our meeting time back to 5pm.

Matt Eddy spoke about the WK TIF. Money from the TIF will go towards finishing the Business Park. We asked about purchasing 2 benches for the Cancer Center, and were told that TIF money could be used. Barbara asked if our committee events could be included in the town events brochure.

Ed Karytko spoke to the KLP about finishing the light installation
