Summary of the Meeting:

- will be emailed by John:
  - went over Report
  - problems w/ teen center - want clarification
  - want golf at dump
  - whats up skeate park

TOWN OF KENNEBUNK

Recreation Committee Meeting 9/7/16

Meeting Convened - 4:35

Attendance taken by Tyler Stewart

Tasha Pinkham went trough the program report. However, today was the first day for program sign-ups and she anticipates we will match or exceed last year's revenue numbers in short order. Revenues for the Summer Day Program were $125,000 – a 10.4% increase over 2015.

Going through the program report, Greg Searle questioned a change to the ages for eligible participants. After some discussion on the age spread, Tasha said she believed that Ryan French had gone through some feedback that had been provided by former participants. She will discuss with Ryan, get further details, and get back to the committee.

During the new business portion of the meeting, we discussed an upcoming program to be held at KHS on the Friday morning of Home Coming weekend. We have eight KHS Alumni coming in to speak with this year's Jr. and Sr. classes to discuss the speakers' career paths. This began with an idea we discussed at our last two meetings. John Hackett spoke with Susan Cressey and Joe Schwartman about this and they became very involved the implementation of the program. Although it has become a KHS program, it will afford us an opportunity to interact with this age group – a group that we would like to provide more programs they will have interest in.

Greg Searle brought up the possibility of utilizing a section of the town dump for the development of an area where the youth of Kennebunk could learn the game of golf. Greg has years of experience as the Superintendent of Cape Arundel Golf course and now at Abenakee Country Club in Biddeford Pool. There were a number of possibilities discussed. At this point, Tasha will be looking into this and get back to us by our next meeting.

Meeting was adjourned at 5:15 PM
