RE: WIN 22504.00 Kennebunk-Kennebunkport, Mathew J. Lanigan Bridge Project

Dear Business Owner,

The Maine Department of Transportation (MaineDOT) is inviting you and other local business owners to a special business meeting concerning the upcoming construction of the Mathew J. Lanigan Bridge project on Route 9 between Kennebunk and Kennebunkport. This business meeting will be held:

Village Fire Station, 32 North Street, Kennebunkport, Maine

May 24, 2016

6:00 PM

The purpose of this business meeting is to discuss the following topics with local business owners:

- Update on the proposed construction schedule, including timing of single lane closures and the full bridge closure with detours;
- Incentive/disincentive requirements that we plan to include in the contract to enforce the construction schedule in terms of minimizing closure durations and the construction completion date;
- How MaineDOT can help you and other local business owners with communication and tools to let your customers know that you are open for business.

I hope you will be able to attend this meeting; however, if you are unable to do so, please feel free to contact me by telephone at 207-624-3422 or by email at leanne.timberlake@maine.gov, should you have any questions.

Sincerely,

Leanne R. Timberlake, P.E.
Senior Project Manager
MaineDOT
