1. Review/Accept Minutes (if available)
 - September 8, 2016
 - September 22, 2016
2. Review membership requirements enumerated in the statement of the by-laws, and discuss and approve.
3. Prepare proposal to change committee name (if committee desires), committee size and by-law acceptance for submission to Board of Selectmen for final approval.
4. Continue adding FAQs to list and share work on FAQ's—Committee members agreed to begin work on a FAQ list as a resource for seniors. The FAQ should contain approximately 20-25 main, relevant questions that someone might ask about the Town and its services. After we have gathered a suitable list of questions and answers they can be posted on the Town's website.
5. Begin work on three categories, or domains, of livability issues listed in the working paper from AARP, "The Maine Guide to Building Livable, Age-Friendly Communities." And, more importantly, how we can influence some of the possible decisions regarding these issues.
