Meeting Summary:

Meeting called to order at 5pm. Guests were Nancy Eldridge and Sonya Macleod from the Eastern Star, an affiliate of the W. Kennebunk Masonic lodge, and Sylvia Cavanaugh. The women from the Eastern Star indicated they would be interested in having a float in the Family Fun Day parade, and they had come to the meeting to hear more about the day in general.

Family Fun Day was the only item up for discussion. Barbara talked about a new business in the area that handles the inflatable houses. The business, Sharp Pencil Creative Entertainment, LLC, owned by Nick Wright, is local, and we felt it would be good to keep with a local company. Barbara will try to get Mr. Wright here for our May meeting. Brenda will order the golf carts, and Carol will contact the pony ride operators. Barb will check with the Kennebunk Savings Bank about acquiring Kenney Bear for the parade. Sylvia Cavanaugh described a couple of different types of games that she had seen at other events, and perhaps we could look into adding them. She also suggested working with the Community Garden people to set up some type of Farmer's Market.

Meeting adjourned at 5:50 pm.
