

# Kennebunk Comprehensive Plan and Zoning Ordinance Committee

April 27, 2016 p.m.

## Minutes

### Attendance:

Nick Branchina, Philip Parker, Charlie Galloway, Ed Karytko, Jeff Bonney, Bob Metcalf, Betsy Smith, Bob Georgitis,

Lee Jay Feldman

Staff: Mathew Eddy, Judy Bernstein,

1. Sea Level Rise. Lee Jay provided a full presentation, which can be found on the Town web site.
  - Kennebunk could see increases in the flood plain from 1 -2 feet
  - Discussed condition of previous “armoring” systems
  - Visit the Surging Seas web site for additional information
  - Insurance will be an issue
  - Cost benefit of improvements including sea rise change, should be a regular tool; other community investments strategies should be investigated.
  - Issues of wealth vs insurance in assessing risk a key
  - There may be opportunities for rewards in developing proactive regulations
  - Beach measurement program has found that Gooches has been stable for last 20 years
2. Adjourn
