

NOTE: Throughout this Article, permitted uses and special exceptions are organized by categories of use, such as "resource production" uses and "institutional" uses. The language introducing each category of use shall of itself carry no legal meaning, but rather serves an organizational purpose only.

Section 7. Village Residential District(s) (VR) & (WKVR)

A. Purpose

The purposes of the Village Residential District(s) are to maintain the highly livable neighborhoods near the Town's traditional village centers, where historically a majority of the Town's population lived within walking distance of business districts and civic buildings; and to provide for the expansion of neighborhoods in a manner that emulates the character of villages. This character includes a scale appropriate for walkable neighborhoods, proximity to services that can meet the routine needs of residents, efficient use of municipal services, and a secure family environment. The dimensional standards within the Village Residential District(s) are intended to be based on the types of dimensions found by the Comprehensive Plan and by subsequent inventories to be already present in the Town's villages.
