

## 2-13 ENGINE BRAKING ORDINANCE

- 13.1 It shall be unlawful for the driver of any vehicle to use or operate, or cause to be used or operated in the 'Quiet Zones' as located within the Town of Kennebunk, except for public safety vehicles, any engine brake, compression brake, or mechanical exhaust device to aid in the braking or deceleration of any vehicle that results in excessive, loud, unusual or explosive noise from such vehicle. The 'Quiet Zones' shall be determined by the Town Safety Committee (Police, Fire, CEO) and approved by the Board of Selectmen.
- 13.2 A violation of this ordinance shall be subject to a fine as set by the Board of Selectmen's fee schedule.
