The meeting came to order at 9:15.

The meeting was devoted primarily to planning for the April 2 workshop with the Select Board. Lisa presented a PowerPoint presentation she had prepared.

Additions to the draft proposal will include a recommendation that a CAP committee be appointed to succeed the Task Force, which will sunset when/if the Plan is adopted. There was also discussion about recommending an annual update to the CAP to reflect progress and updates.

It was decided that Alison will be the primary presenter with Josh as backup. Chris M will facilitate the discussion. Betsy will take notes.

Lisa reviewed the results of the Staff sticker feedback on the Plan posters and noted that the most negative feedback was on the consideration of EV implementation and Town Hall Staff involvement/responsibility.

The meeting was adjourned at 10:25.
