WK Update: The driveway lock was left unlocked. Have Beth tell the gardeners that both locks have the same combination at the West K garden. Irrigation is on. Yoga got a very small response, we will pass on it for this year.

PSS Update: Ten people came to harvest last week. The irrigation is back on now. Dick has gotten quotes for the pollinator beds at Home Depot. Leslie will reach out to see about the funding.

MHH Notes: Leftover time at harvest will be used for weeding. Tomorrow we will begin sending more produce to Alfred directly as the produce dropped off at COS is not being utilized very much.
