Kennebunk, ME

**September 9<sup>th</sup>, 2019**  
3:00pm – 6:30pm

The Rx Abuse Leadership Initiative of Maine (**RALI Maine**) is an alliance of local, state and national organizations committed to finding solutions to end the opioid epidemic in our state.

RALI Maine and its partners are working with **Code 3** to bring the **RALI CARES** educational trailer to Maine. The RALI CARES exhibit is a **hands-on** tour of a teenage bedroom to learn about possible warning signs of substance misuse. Experts will be on hand to guide you through the trailer, educating participants about warning signs, potential areas of concern, and answer questions parents or caregivers may have.
